## PepinNini welcomes new Board appointments

PepinNini Minerals Ltd announces the appointment of two new non-executive directors to the Company's Board.

Mr. Stephen Ross and Mr. Mena Habib joined the PepinNini Board as non-executive directors following a General Meeting of shareholders on 9 July 2021.

The two new directors bring strong corporate, technical and business backgrounds to PepinNini.

Mr Ross is an experienced geologist and public company director who has been involved in the international minerals industry in technical, business development and ASX corporate positions for 30 years. He has sourced investments for junior explorers and pre-development resource companies worldwide, while holding senior management and technical positions in West Africa and Asia. Mr Ross is a Member of the Australian Institute of Mining and Metallurgy (AusIMM) and a Fellow of the Financial Services Institute of Australia, and he is currently a non-executive director of East Energy Resources Limited (ASX:EER).

Mr Habib has extensive experience in sales, marketing and management. He has worked in global companies excelling in sales in pharmaceuticals, being a recipient of the National Sales Champion award on two separate occasions. Mr Habib is also an entrepreneur, having recently sold a successful food service and restaurant business that was acquired by an international operator and converted to a national franchise network. He has completed a Diploma in Financial Planning.

PepinNini Managing Director, Ms Rebecca Holland-Kennedy, said the Company looked forward to the positive contributions of Mr Ross and Mr Habib to the Board of Directors.

"Both Directors bring important corporate, financial and strategic skills to the Board and we look forward to their input as we progress the significant project opportunities in front of PepinNini," she said.

PepinNini last week announced the retirement of long-serving non-executive director Robert (Wei) Sun and the appointment of experienced mining industry executive David Turvey as Chairman of the Board.
