Investor Update – Cash Position

Following queries from a number of shareholders the Board of PepinNini Minerals wish to update investors on the current cash position of the company.

On the date that the June Quarterly Activities and Cash flow Report was released (ASX: 26 July 16) PepinNini held cash reserves of \$1,291,919. The Appendix 5B included within this report has the purpose to reflect the cash position as at 30 June 2016 (the end of the quarter). Funds from the recent private placement (ASX: 11 July 16) that have been received since the record date of the quarterly cash flow statement were not included.

For clarification as at 30 June 16 the company held cash (As reported in item 1.22 “Cash at end of quarter” of the Appendix 5B) of \$415,000. The majority of the funds from the private placement were received early July 16 resulting in an increased cash position at the time of release.
