Kulilaya Festival in Umuwa APY Lands Sunday 24 March 2024

Power Minerals Limited (ASX:PNN, **Power** or the **Company**), is proud to be a major sponsor of the Kulilaya Festival in Umuwa APY Lands.

Power greatly values and appreciates its long-standing relationship with the APY communities over many years, dating back to the Company's former name Pepinnini Minerals.

The Festival's diverse cultural activities, which include a welcome dance by Elders, performances by contemporary East Arrente bands, traditional and contemporary art displays, traditional Inma dances, and children's events, reflect the talent, energy and commitment of the APY communities and for the future of those communities.

This year's Kulilaya Festival will be part of the world-renowned Adelaide Fringe Festival. Live streaming of the Festival is an excellent opportunity for the rest of Australia, as well as the global community, to participate in this extraordinary cultural event.

Managing Director, Mena Habib said, "It is an honour and privilege for Power Minerals to be invited by the APY communities to be a major sponsor of this most significant event. We are delighted to be able to contribute and to have our staff participate in the Kulilaya Festival. On behalf of the Board and staff of Power Minerals, I wish APY the very best for the Festival, and we look forward to continuing our relationship with the APY communities."

Live from 12:30pm Northern Territory ACST
